

Gender Sensitization Programme at Patna University

Patna University is committed towards empowerment of women which is envisioned as building self identity, developing ability to think critically, to ensure equal participation in the process of bringing about social change and to provide wherewithal for economic independence. One of the pedagogical modes of gender sensitization is interactions in Seminar/Symposia/Workshops. Patna University has shown serious concern, particularly towards issues which directly benefit the community at the grass root level. Some of the photographs of programmes conducted at Patna University are:

Gender Sensitization programme on International Women's Day
